# Safe & Sound - Individual Online Learning

*Stay calm, stay confident - and stay safe*

Follow our Safe and Sound programme and the next time you find yourself in a situation that could erupt into conflict, you'll be more prepared. You'll know what to say and how to avoid trouble and, most importantly, keep yourself safe.

Our comprehensive programme guides you through practical steps to help you feel more confident at managing challenging conversations and situations. Working at your own pace, you can build your skill at times that work best for you.

Our motto is "practice makes permanent". Delivered in seven interactive modules, this programme allows you to review each element until you're ready to move on, building your capability and confidence as you go.
