Safe & Sound - Tool Box Talk

Stay calm, stay confident - and stay safe.

In just 30 minutes, this film guides you through practical steps to help you feel more confident at managing challenging conversations and situations.

The next time you find yourself in a situation that could erupt into conflict, you'll be more prepared. You'll know what to say and how to avoid trouble and, most importantly, keep yourself safe.

Above all, you will feel more confident in your decision making, especially when it comes to leaving a tricky situation.
